The disaster at sea which over-

took the ship Vestris resulted

in the death of 100 or more per-

sons. Some 218 had been res-

cued from the water where the

Vestris went to the bottom on

Monday 300 miles off Virginia

Come Back

As we turn our faces to the

future and forget the past we

know that it is best for our peo-

ple and country after a bitterly

contested election. Governor

Smith urges the Demo-

crats to get together for future

elections. The scores are healed

and people are forgetting

there was an election. Mr.

Hoover is the President of all

and why not make his adminis-

tration a great one for the ad-

vancement of the common weal.

He offers his aid for farm relief

and it will be time enough to

criticize him when he fails to keep

his campaign promises.
